

A NEW GENERATION OF Intelligent heat lamps

Our new generation of washable heat lamps maintains optimum heat spread and usage. The new heat lamps replace previous models 1:1. We offer a two-year guarantee on the bulbs. Available with CEE 3P plug or 100W bulb on request.

Veng Classic

Standard 150W washable heat lamp.

Veng Stage

Simple, magnet-regulated heat lamp (ON/OFF/50 %).

PILOT LIGHT

Veng Infra

This heat lamp contains infra-red technology. The lamp maintains optimal temperature in the resting area by measuring the surface temperature. Regulating magnet and NFC.

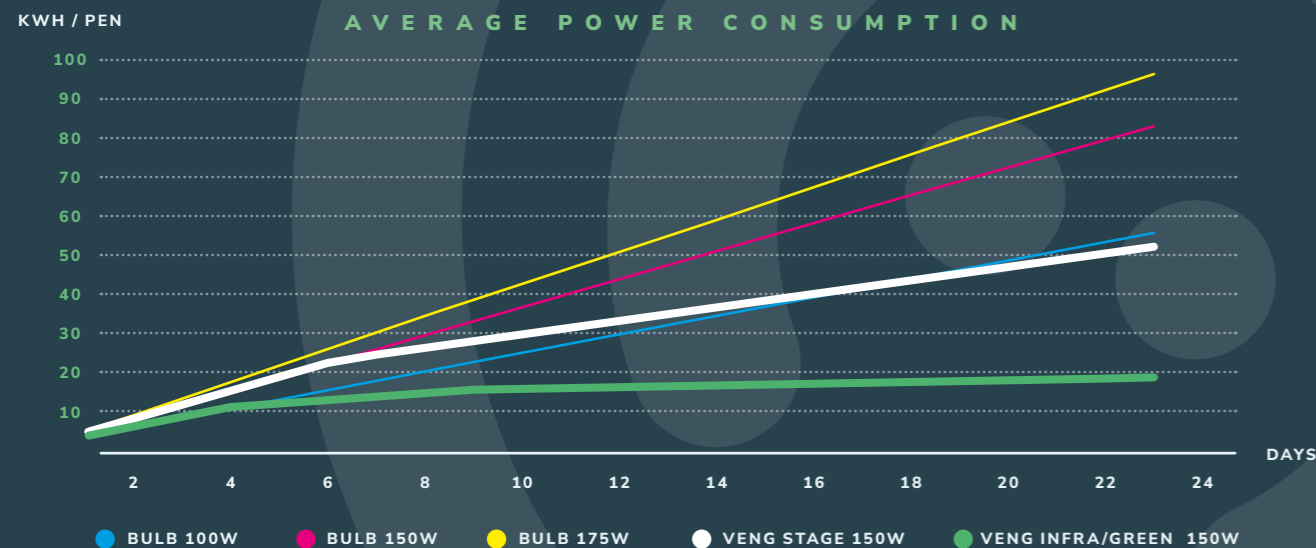

PILOT LIGHT WITH
INFRA-RED SENSOR

Veng Green

Heat lamp with integral infra-red control and optional FarmViewer management functions, remote control and online service.

PILOT LIGHT WITH
INFRA-RED SENSOR
